

Everglades Production Gloss Canvas

Everglades Production Gloss Canvas is a lower weight, affordable canvas with a high quality coating for excellent color gamut and dMax. It's fine weave and gloss coating give it a uniform, high sheen finish which is especially ideal for photographic and fine art prints with a lot of detail. It's abrasion resistant surface requires no lamination and is great for stretching equipment.

EVERGLADES is compatible with solvent, eco-solvent, and latex printers.
