Replaceable Maintenance Box

1.44" LCD Display Panel

Sheet Media

Integrated Wi-Fi, Ethernet and USB 3.0

Ultra Compact Footprint

Ink Indicators – directly see color levels

Entire Printer Operation is from the front (ink, media loading, media output)

11.7"

13.7"

6"

**15.4lb Printer** – small and lightweight

## ■ Outstanding Photographic Quality

- High-quality prints using Epson MicroPiezo<sup>®</sup> AMCTM, heat-free printhead and UltraChrome<sup>®</sup> Dye-based inkset

## ■ Ultra Compact Design

- Lightweight and portable, well suited for on-site event photography and photo booths

## ■ Versatile connectivity

- Easily connect to and control one or multiple printers over Wi-Fi<sup>®</sup>, Ethernet or USB

## ■ Low Energy Consumption

- Energy efficient enough to be used with a user-provided portable battery, for printing where you need it

Advanced MicroPiezo AMC Printhead

## ■ Industrial Printhead

- 6-channel, one-inch wide, Advanced MicroPiezo AMC printhead with 180 nozzles per channel
- Ink- and static-resistant surface coating for reduced nozzle clogging

## ■ High-Resolution Printing

- Capable of printing up to 1440 x 720 dpi
- Supports variable-sized droplet technology using droplets as small as 2.5 picoliters

## ■ Auto-Missing Nozzle and Alignment Detection Technology

- Printed check pattern auto feeds back into printer to detect missing nozzles or alignment errors and moves to other nozzles for printing
- Continue printing with less downtime with reliable, high-quality operation

## ■ Industrial-Level Reliability

- Print engine is designed for on-demand, on-site printing for event photography
- Same printhead technology as the SureLab D1070

**ULTRACHROME**  
**D6r-S** INK

70 mL UltraChrome D6r-S Ink Bottles  
6-color ink set

## ■ Advanced Dye-based Ink Chemistry

- Strong colorant, coupled with Epson Media make prints water, smudge and fade resistant<sup>2</sup>
- 6-color ink set based on the same chemistry used in the SureLab D1070
- These printers are designed for use with Epson ink only, not third-party bottles or ink

## ■ Wide Color Gamut

- True-to-life photographic reproduction with an advanced, 6-color ink set
- Reproduces subtle tones in portrait photos with smooth transition and crisp, sharp details

## ■ Ink Bottle System

- 70 mL individual ink bottles system are easy to fill, keyed for each color
- Self-contained and portable, great for on-site events

Smudge-, water- and fade-resistant prints with Epson Genuine Photo Media and Ink only.<sup>2</sup>

## ■ Sheet Media Handling

- Full Edge-to-edge printing, BorderFree™ printing – no cutting required
- Print on single and double-sided sheet media
- Variety of media supported from glossy, luster and matte

## ■ Diverse Small-format Applications

- Print a 4"x6" photo in as little as 13.4 seconds<sup>1</sup>
- Double-sided printing allows for postcards, small calendars, or mini photobooks

## ■ Automated Double-sided workflow

- Sheet tray holds up to 100 Sheets in 4"x6" media size
- Printer automatically reverse feeds for double-sided printing

No manual adjustment required

Print speeds are based on the print engine speed only. Total throughput time for any print depends on various factors including workstation configuration, file size, print resolution, ink coverage and networking. Actual print speeds will vary<sup>1</sup>

## ■ Portable, Compact Design

- Lightweight technology to bring directly on-site
- Printers can be stacked on top of each other for a variety of configurations

## ■ 1.44" LCD Panel for Easy operation

- Access printer settings directly from LCD panel for printer maintenance, media settings and network settings without a computer

## ■ Wireless Connectivity

- Supports Wi-Fi, LAN and USB printing
- Outstanding connectivity allows freedom to have single or multiple units freely placed in a location over a network connection

## ■ Low Energy Consumption

- Uses only 18W of power while printing
- Capable of being powered by user-provided portable battery for full printing operation\*
- Fully functional at on-site events without needing AC wall outlets

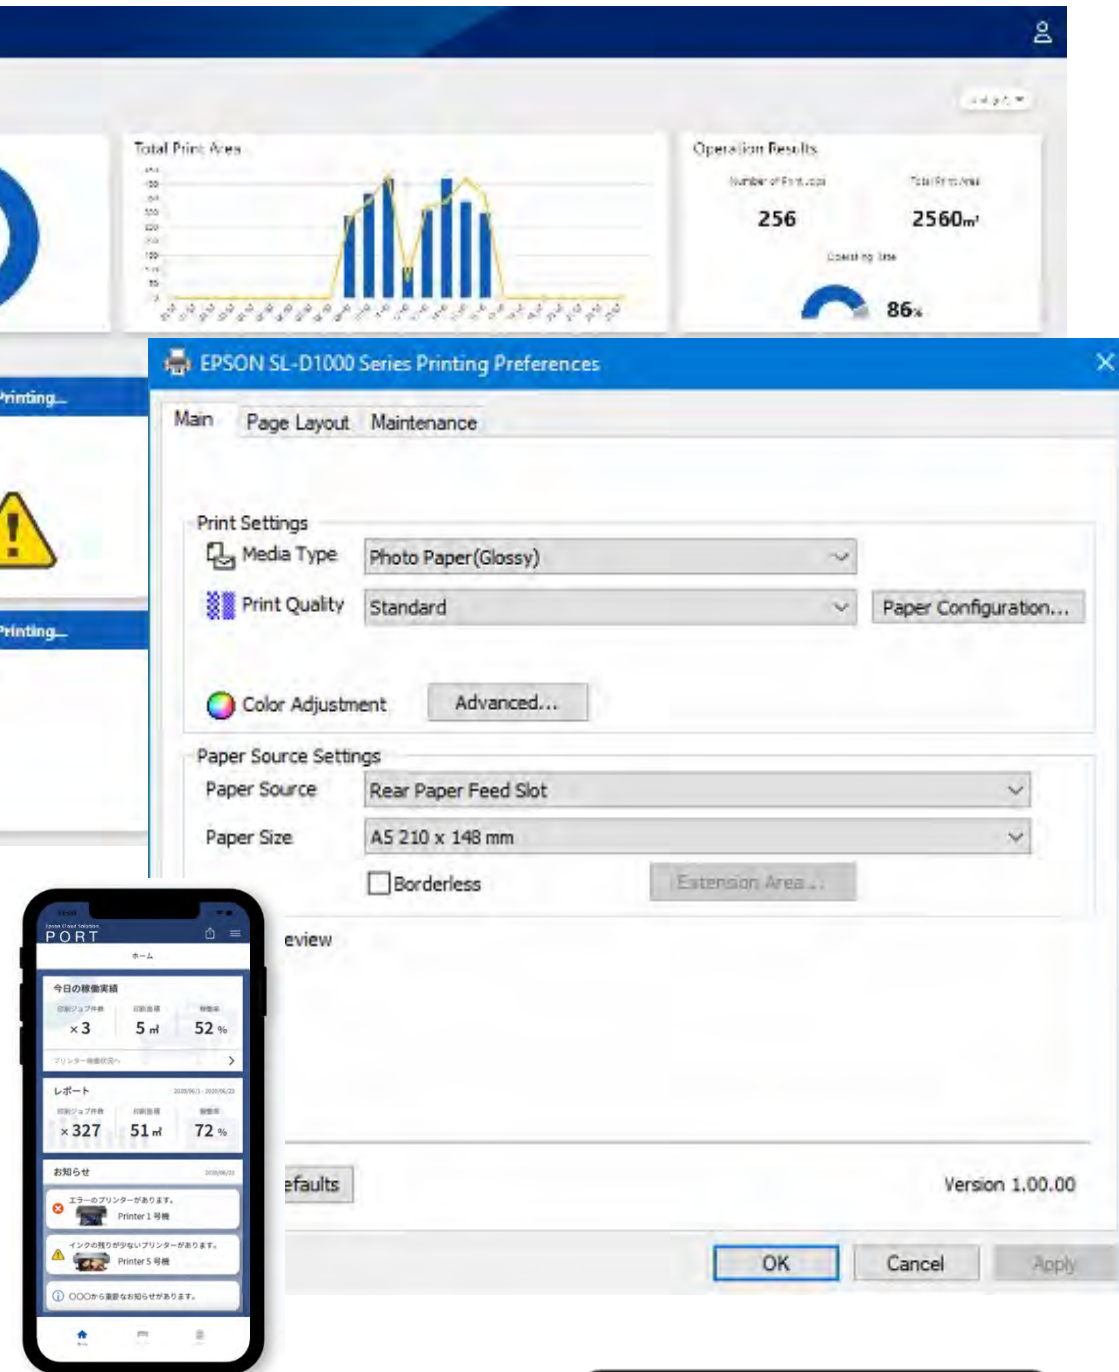

## ■ Ideal for On-site Events

- Lightweight, self-contained to be fully operatable on-the-go
- Wi-Fi / Wi-Fi Direct / AirPrint allow great connectivity, and unique workflows

Epson branded portable battery not included with printer or offered for sale\*

## ■ Easy-to-use Printer Driver

- Simple printer operation and settings available in one location
- Maintenance options, media settings and color profiles from single driver
- Supports both Windows and Mac Operating Systems

## ■ AirPrint / Wi-Fi Printing

- Print from your Mobile Device or Smartphone
- No additional apps needed

## ■ Epson Cloud Solution PORT<sup>3</sup>

- Almost real-time updates of printer status, errors, consumable levels and more
- Create reports on printer usage in production
- Track data, job information across Epson printer Fleet for maximized productivity and efficiency

All features of this system require an active Internet connection and the use of a supported browser<sup>3</sup>

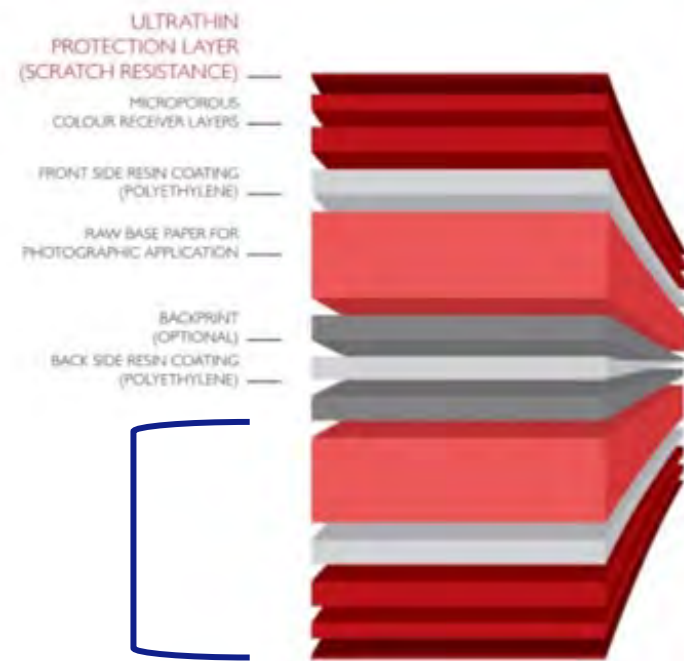

## ■ Photographic Sheet Media

- Supporting Glossy, Luster and Matte media types
- Available in 3.5" x 5" and 4" x 6" sheet media – single and double-sided
- Unique genuine media technology optimized for quality, durability and feeding

Double-sided media mirrors  
durable coating technology

## ■ Protection Layer for added durability

- Offers maximum scratch resistance
- Excellent fade resistance
- Smudge- and fingerprint-resistant
- Consistent coating and surface gloss level

## ■ Standard 3-Year Epson Preferred Limited Warranty

- Free technical support Monday through Friday
- If required, provides whole unit exchange

## ■ Optional 1-Year Epson Extended Service Plan

- Provides contract service coverage when the standard limited in-box warranty ends
- Can be purchased at any time while still under an Epson Preferred Limited Warranty or Extended Service Plan
- Stackable up to a maximum of 2 additional years, for or up to a total of 5 years of continuous coverage

## Specifications are Subject to Change Without Notice
