Epson Cloud Solution PORT®

OEKO TEX® ECO PASSPORT NEP 1902 Nissenken www.oeko-tex.com

High-speed production — sellable-quality print speeds up to 1,590 ft²/hr²

Robust productivity — user-replaceable 2.6" PrecisionCore® Micro TFP® printhead with Nozzle Verification Technology

Astounding image quality — UltraChrome® DS Ink produces exceptional color saturation and high color contrast

Improved usability and simple operation — high-capacity, hot-swappable ink pack system and intuitive 4.3" touchscreen

Seamless workflow — includes Epson Edge® Print, featuring Adobe® PDF Print Engine; compatible with popular RIP software

Low user maintenance — fabric head wiper and easily accessible maintenance area help ensure consistent performance

Fleet productivity with Epson Cloud Solution PORT®[3] — provides live monitoring of printer status, including production rates and printer utilization

Peace of mind — 1-year limited warranty; extended service plans available up to a total of 5 years of continuous coverage

Designed for use exclusively with Epson ink packs.*

EPSON®

SureColor® F9570

Print

Printing Technology PrecisionCore Micro TFP drop-on-demand, inkjet printhead with Nozzle Verification Technology
Ink Type UltraChrome DS with High-Density Black Ink; 4-color
Ink Configuration C, M, Y, HDK
Nozzle Configuration 1,600 nozzles per color x 4 colors
Droplet Technology Variable-Sized Droplet Technology
Maximum Resolution 600 x 1200 dpi

Ink

Ink Pack Fill Volume[4] C, M, Y and HDK: 1.6 L packs per color (hot-swappable)
This printer is designed for use with genuine Epson packs only, not third-party packs or ink*.

Roll Media Handling

Single Roll-to-Roll Up to 64" wide
Roll Media Core 2" or 3" diameter
Maximum Roll Diameter Up to 9.8"
Maximum Roll Weight Up to 100 lb
Media Thickness From 0.04 mm to 1 mm thick
Take-Up Reel Fully automatic "wind in" or "wind out" with tension control

Printable Area and Accuracy

Maximum Paper Width 64"
Minimum Paper Width 11.8"
Left/Right Margins 0.20" (0.40" total)
Maximum Printable Width Up to 63.6"

Printer Interfaces

SuperSpeed USB 3.0 (1 port)
1000Base-T Ethernet (1 port)

Operating Systems Supported

Windows® 11, 10 and 8.1
Minimum PC Specifications: 3 GHz or higher quad-core CPU, 8GB RAM, 50GB SSD and high-speed Internet connection

ECO PASSPORT by OEKO-TEX® is a system by which textile chemical suppliers demonstrate that their product can be used in a sustainable textile production. Epson dye-sublimation ink is certified by the ECO PASSPORT. This is an international safety standard in the textile industry. It is certified to be safe for adults and children, including babies.

* This product uses only genuine Epson-brand ink packs. Other brands of ink packs and ink supplies are not compatible and, even if described as compatible, may not function properly or at all.

1 SureColor F-Series: most shipped dye-sublimation printers in North America (U.S. + CA); 12 months ending November 2023. Ranking is based on shipments. IDC Quarterly Industrial Printer Tracker 2023Q3 Historical Release. | **2** Print speeds are based on the print engine speed only. Total throughput time for any print depends on various factors including workstation configuration, file size, print resolution, ink coverage and networking. Actual print speeds will vary. | **3** All features of this system require an active Internet connection and the use of a supported browser. | **4** Part of the ink from the first cartridges/packs is used for initializing the printer. Ink usage will vary considerably based on images printed, print settings, paper type, frequency of use, temperature and humidity. Variance may be more pronounced when printing infrequently or predominantly with one ink color. Ink is used for printing and printer maintenance, and all colors must be available for printing. For print quality, a variable amount of ink remains after the "replace ink" indicator comes on. | **5** For convenient and reasonable recycling options, visit www.epson.com/recycle | **6** SmartWay is an innovative partnership of the U.S. Environmental Protection Agency that reduces greenhouse gases and other air pollutants and improves fuel efficiency. | **7** Geographic limitations may apply. Service request must be received and processed by 1 p.m. Pacific Time, Monday through Friday, excluding holidays. See limited warranty or service plan for details. | **8** Product comes with a 1-year limited warranty with the option to purchase extended service plans up to a total of 5 years of continuous coverage. | **9** Customer must sign up for an Epson Cloud Solution PORT account to utilize this plan. All features of this system require an active Internet connection and the use of a supported browser. See extended service plan for details.
