

Replacement blades for the TEXTC - Simplex textile cutter

Pack of 10 replacement blades for Simplex textile cutter (TEXTC).

These razor-sharp, ultra-thin circular blades will cut the finest flag, textiles and paper when fitted to the textile cutter. Allowing Simplex users a safe, sure way of cutting thin, high tensile and delicate materials that cannot be cut by conventional methods.

Please note: These blades are only compatible with the textile cutter attachment for the Simplex.
