

For Simplex and discontinued series 1 cutter bars

A textile cutter attachment for the Simplex for a safe, sure way of cold cutting, cutting thin, high tensile and delicate materials that cannot be cut by conventional methods. Uses a razor sharp ultra thin circular blade and comes with 1 fitted blade. Attach to the cutter in seconds with no tools required. An integral safety guard protects fingers when the textile cutter is not in use.

- Also suitable for the following discontinued cutters Evolution 1, Sabre 1, Javelin Original, Javelin Xtra, Practik or Max
- Economical disposable circular blades are available to purchase in packs of 10 – product code [TEXB >](#)
